

Anti-ragging Policy of Dhanwantri.

The anti-ragging policies of Dhanwantri are based on the Honorable Supreme Court of India's ruling and UGC regulations on curbing the menace of ragging in higher education institutions, 2009.

Our institute has been free from this menace because of the active cooperation of the faculty, students, parents and staff.

We also continually make an effort to free our campus from ragging.

The anti-ragging cell is being constituted and stringent measures had been taken to prevent ragging in the campus. The mobile numbers of anti-ragging cell members are prominently displayed in the notice boards. The anti-ragging squad conducts regular and surprise visits to the hostels, library, food court, sport facilities and ensure the fresher's are comfortable.

The newly admitted students should submit anti-ragging undertaking online / produce anti-ragging affidavit on a stamp paper as per the direction of Supreme Court of India.

High Quality Teaching

Daily, nurses face complex situations where knowledge, critical thinking, and problem-solving skills are required for safe patient care. Thus, nurse faculties are challenged to prepare competent graduates to meet the ever-changing and complex demands of the contemporary health care system. Specifically, over the last decade, there has been a shifting paradigm in nursing education from a teacher-centered to a learner-centered classroom environment, prompting educators, clinicians, and health care employers to pose many questions about effective teaching strategies. How can educators facilitate critical thinking, clinical decision making, and instill values of lifelong learning? What are the key elements of an effective nurse educator? Teaching in Nursing for nursing students the faculties serves as guide to respond to these questions and help nurse educators facilitate student learning goals.

About Trust and Its Objectives

MAJ Foundation Trust is a 14 year old Institutions, in the heart of the city close to Railway Station, Metro Train and Airport. The trust believes in true service and brings out qualified professionals who are the real strength of our Institution, Society as well as for our country. The institution is spread over 3 Acre campus with separate hostels for boys and girls, with modern facilities and homely atmosphere.

Dhanwantari Nursing College is exclusively tied up with Colombia Hospital for its practical training and placements in all the 16 branches all over the country and abroad.

* Free Insurance covered by the Institution to the extent of 2 Lakh to the Student and parent.

Nursing is an art: and if it is to be made an art, it requires an exclusive devotion as hard a preparation, as any painter's or sculptor's work; for what is the having to do with dead canvas or dead marble, compared with having to do with the living body, the temple of God's spirit? It is one of the Fine Arts: I had almost said, the finest of Fine Arts.

~ Florence Nightingale

“Totally devoted to quality
Nursing profession”
